

2016 EAHIL COUNCIL ELECTION - CANDIDATE STATEMENT

<i>Name</i>	Ms Pille Naggel	<i>Country</i>	Estonia
<i>Affiliation</i>	Library, Tartu University, Tartu		
<i>I have worked in (health) library practice</i>	More than 15 years	<i>Education</i>	Master's (MSc / MLIS / MA)
<i>My professional education and experience</i>	After graduating University of Tartu (Life Science department) at 1989 I started working at cataloguing department at Library of Tartu University. Currently I am taking part in a compilation of Estonian Subject Headings. Since year 2014 I am working as subject librarian in field of medicine. My responsibilities include mediating information between medical personnel of clinics and library that concerns e-journals, databases, library services and ordering new books and journals.		
<i>What I think is special about EAHIL</i>	EAHIL gives a chance to meet health librarians from other countries and change experiences. It's an opportunity to share professional concerns with others.		
<i>What I expect to contribute to EAHIL Council</i>	I hope to share others what we are doing in data management and information literacy courses. A new interesting field is data mining what we just began get into.		
<i>What I think are the most important issues for European health information professionals in 2017-2020</i>	Access to databases, the cost of databases and journals. Data management. Medical library new challenges in EU.		
<i>My one-line statement for my election campaign</i>	The collaboration with the people in the field of medical information in Estonia, in Europe and in World.
