

2016 EAHIL COUNCIL ELECTION - CANDIDATE STATEMENT

| | | | |
|--|---|------------------|----------------------------|
| <i>Name</i> | Mr Mauro Mazzocut | <i>Country</i> | Italy |
| <i>Affiliation</i> | Scientific & Patients Library, CRO Aviano National Cancer, Aviano | | |
| <i>I have worked in (health) library practice</i> | 5-9 years | <i>Education</i> | Master's (MSc / MLIS / MA) |
| <i>My professional education and experience</i> | I work as a health librarian at the CRO Aviano National Cancer Institute. I'm involved in the Patient Education institutional program. I'm in charge to manage CIGNOweb.it, database of trusted cancer information for consumers and CRO OpenDocuments, the DSpace institutional repository. I'm interested in web misinformation on drugs and complementary and alternative medicines issues. Currently I'm a member of the board of GIDIF-RBM, the Italian association of health information specialists. | | |
| <i>What I think is special about EAHIL</i> | Cross-fertilization and an outlook to the future challenges in our profession, that's what makes EAHIL the greatest professional network for health-librarians. | | |
| <i>What I expect to contribute to EAHIL Council</i> | Foster some emerging issues such as misinformation in consumer health information and the future of young librarians with not stable contracts. | | |
| <i>What I think are the most important issues for European health information professionals in 2017-2020</i> | Consumer health & online misinformation; Ethics in publishing; Not stable health information professionals | | |
| <i>My one-line statement for my election campaign</i> | Stay foolish, stay EAHIL! | | |
