

2016 ELECTION FOR 2017-2020 EAHIL COUNCIL - CANDIDATE STATEMENT			
<i>Name</i>	Ms Maria Da Luz Antunes	<i>Country</i>	Portugal
<i>Affiliation</i>	Library, Escola Superior de Tecnologia da Saude de Lisboa		
<i>I have worked in (health) library practice</i>	More than 15 years	<i>Education</i>	Master's (MSc / MLIS / MA)
<i>My professional education and experience</i>	Graduated in History (1986), Postgraduate in Documentation Sciences (1996), and Master in Documentation Sciences (2006). I began my career in 1988 in the European Commission (Portugal Bureau). Between 1992 and 1995, I worked in European Documentation Centre (University of Lisbon). Simultaneously I began my adventure in the health information (Instituto de Clinica Geral da Zona Sul; Instituto da Qualidade em Saude; and Universidade Atlantica). Since 2000, I've been working at ESTeSL.		
<i>What I think is special about EAHIL</i>	A great and huge network between health libraries and health librarians.		
<i>What I expect to contribute to EAHIL Council</i>	One of the Portuguese voices in the great EAHIL family, a librarian vision from a small and peripheric country.		
<i>What I think are the most important issues for European health information professionals in 2017-2020</i>	The biggest challenges for next years: open science, open data, open access, and health literacy.		
<i>My one-line statement for my election campaign</i>	The health librarian works for patients, for students, for health professionals, for society.
