3. Minutes of the General Assembly 2012 (Brussels)

The minutes were accepted as an accurate record.

4. President's report

- a. 2012: Peter Morgan (PM) reported. The Presidential report for 2012, which summarises the activities of the Association and its representatives for the year, is available on the EAHIL website (http://www.eahil.eu/about_eahil.htm).
- b. 2013: MD reported on the results of extraordinary Board elections. At the GA 2012 Lotta Haglund was presented as the new President for the 2013-2014 term. In accordance with the rules of EAHIL, the Board elected a new President from among the Board members, and Marshall Dozier was duly elected to fill the vacant role. The implications of the reduced number of Board members (from last year's election) was to arrange an election process for one full member, with the aim also of having two co-opted members. Results of elections:
 - Board member (2013-2016): Anna Kågedal (Sweden) – 91 votes.
 - Co-opted member (2013-2014): Meile Kretaviciene Lithuania) – 85 votes
