

<b>2018 EAHIL Council Election - Candidate Statement</b>		
<i>Country</i>	Germany	
<i>Name</i>	Sabine Buroh	
<i>Affiliation</i>	University of Freiburg, Faculty of Medicine – Library of the Center for Surgery, Medical Center – University of Freiburg	
<i>My professional education and experience</i>	After obtaining a degree (M.A.) in History and Politics from the University of Freiburg, I completed my training with a Diploma in Library and Information Management from Stuttgart Media University (Hochschule der Medien, Stuttgart, Dipl. Bibl. FH). I have been working as part of the University Hospital's library team and head of the surgery department library in Freiburg for 25 years, covering all service, including information literacy training for students and staff and searching for systematic reviews.	
<i>What I think is special about EAHIL</i>	EAHIL is not only an international organization. It is a living network of colleagues, all united in the vision of the advancement of knowledge for health.	
<i>What I expect to contribute to EAHIL Council</i>	Together with my fellow councillors from Germany I will try to act as link to the German medical librarians and information workers thereby promoting EAHIL further.	
<i>What I think are the most important issues for European health information professionals in 2019-2022</i>	<p>Open Science</p> <p>Data Mining</p> <p>Evidence Based Practice</p> <p>Training and education of health librarians (in new information technologies)</p> <p>Demonstrating the value of our profession and defining our role</p>	
<i>My one-line statement for my election campaign</i>	Advance our profession by cooperation and communication on an international level
