

2018 EAHIL Council Election - Candidate Statement

<i>Country</i>	Lithuania	
<i>Name</i>	Daiva Jurksaitiene	
<i>Affiliation</i>	Lithuanian University of Health Sciences	
<i>My professional education and experience</i>	<p>I'm working in the Lithuanian University of Health Sciences Library and Information Centre more than 20 years. Last 15 years - Head of Library Information Systems Department. I'm responsible for the implementation processes, supporting and maintaining of Library Information Systems, implementation new technologies, cooperation with libraries, training courses for library users and staff members. My professional interests include – information technologies, technological developments for libraries, information literacy, changing roles of library and information professionals. I'm EAHIL member from 2006.</p>	
<i>What I think is special about EAHIL</i>	<p>EAHIL gives an opportunity to meet great colleagues. Conferences and workshops inspire new ideas in professional duties. Possibility to discuss with colleagues and share ideas and skills with all EAHIL community.</p>	
<i>What I expect to contribute to EAHIL Council</i>	<p>Being a Council member I'll have a better possibilities to share local Academic libraries community trends, ideas and questions with the Association.</p>	
<i>What I think are the most important issues for European health information professionals in 2019-2022</i>	<p>New librarian competences and challenges; Library technologies in the near future; How libraries support FAIR principles; Open Access repositories creating and challenges; Library services for the researches, students and academic community.</p>	
<i>My one-line statement for my election campaign</i>	<p>All our ideas can come true if we have possibilities to share them with others</p>
