

2018 EAHIL Council Election - Candidate Statement

Country	Poland	
Name	Justyna Zawada	
Affiliation	Wroclaw Medical University	
<i>My professional education and experience</i>	Education: MA in English philology, BA in information science and librarianship, University of Wroclaw; professional experience: librarian at Wroclaw Medical University Library since 2013	
<i>What I think is special about EAHIL</i>	The international community of medical librarians and information specialists that is strong, close-knit, proactive and thriving.	
<i>What I expect to contribute to EAHIL Council</i>	Support EAHIL in its actions and add the Polish librarianship perspective.	
<i>What I think are the most important issues for European health information professionals in 2019-2022</i>	Strengthening ties and enhancing collaboration, developing universal standards and best practices of our profession, enabling better professional development.	
<i>My one-line statement for my election campaign</i>	I first took part in EAHIL annual conference in Dublin last year and it was overwhelming and very inspiring. I thought I would like to be a part of this amazing community to support its actions, and to act as a link between EAHIL and my home country – to pass on information on what EAHIL is and does and especially to show how inspiring and motivating being part of EAHIL is.
