

<b>2018 EAHIL Council Election - Candidate Statement</b>		
<i>Country</i>	Sweden	
<i>Name</i>	Eva Johansson	
<i>Affiliation</i>	Umeå University Library, Medical Library	
<i>My professional education and experience</i>	I'm a medical librarian at the Medical Library of Umeå University. I have been working at Umeå University Library since 2016, and at the Medical Library since the beginning of 2018. I'm currently working with education, user support and with customer service and communication.	
<i>What I think is special about EAHIL</i>	The possibilities of collaborating and sharing knowledge with international colleagues.	
<i>What I expect to contribute to EAHIL Council</i>	I will contribute to the association by participating in EAHIL activities, networking with other colleagues and members and promote EAHIL among non-member colleagues.	
<i>What I think are the most important issues for European health information professionals in 2019-2022</i>	Since our profession continuously changes it's important that EAHIL guides and support their members, and also encourage members to collaborate and share knowledge with each other.	
<i>My one-line statement for my election campaign</i>	"Sharing knowledge is the most efficient way to maintain and develop our profession. It helps us create the necessary competence and skills that will fulfill our customers' needs".
