I'm head of the Medical Library at the University Hospital Miguel Servet, in Zaragoza, where I've been working for 12 years.		
<i>What I think is special about EAHIL</i>	EAHIL is the best forum to meet colleagues from all over the world to share ideas and experiences that improve our daily practice.		
<i>What I expect to contribute to EAHIL Council</i>	As a member of the Council during the last three years I had the opportunity to exchange ideas with colleagues. In EAHIL we learn from each other as every place has similar problems that have been managed through different solutions. I would like to encourage affiliation among my Spanish colleagues in several ways: promoting a higher involvement in this network, encouraging the sharing of experiences and new proposals, participating in the journal, and endorsing the integration of active members		
<i>What I think are the most important issues for European health information professionals in 2017-2020</i>	Systematic Reviews Open Access Metrics Future of the medical librarian role		
<i>My one-line statement for my election campaign</i>	The empowerment of our profession
