<i>What I think is special about EAHIL</i>	The network that allows you to share professional experiences/information/advice. The possibility to improve professional skills and to discover new professional opportunities.
<i>What I expect to contribute to EAHIL Council</i>	Thirty years of experience in end user training courses/information literacy....improving communication with our "customers".
<i>What I think are the most important issues for European health information professionals in 2019-2022</i>	Promoting Open science and improving Open access. Spread the culture of information literacy addressed to library end users (researchers, patients, students). Information professional collaborations in promoting/sharing healthy life style programs for citizens.
<i>My one-line statement for my election campaign</i>	Would you like to find out more about....? Let's meet up...obviously on the web!
