

EAHIL Presidents

EAHIL was constituted 1987, in Brighton U.K.

Mr Marc Walckiers, Director of the Bibliothèque de la Faculté de Médecine, Université Catholique de Louvain in Brussels, served as EAHIL's first President.

We extend our deepest gratitude to all past EAHIL Presidents.

Since 1987, each leader has served the association with unwavering passion and full dedication.

EAHIL History was published in JEAHIL
